\$35

The copay shown is for a Tier 1 primary care provider (PCP). If you choose a Tier 2 primary care provider (PCP) you will have a higher copay. Copay is for office visit only, other services provided during the visit are subject to additional cost shares. Telehealth visits subject to Tier 2 copay. You may also be able to access care with lower cost shares using our designated network of virtual doctors. These designated virtual doctors can be accessed via our mobile application, website, or HealthKeepers enabled device. Doctor Visits in the Home are covered.

Primary care visits are appointments with your primary care provider to look at symptoms, sickness, or injuries.

This is different from preventive care visits - regular checkups or screenings are always free.
