### Plan costs

Click the down arrow to learn more about each of these.

#### Monthly premium

\$159.29 per month ~~was \$540.29~~

#### Deductible (Health + Rx)

\$1,500 per person

Your deductible is the total amount you'll pay for healthcare services before your insurance starts to cover a portion of costs. (Scroll down to see the specific portion this plan covers for each service.)

However, many plans do cover basic services even before the deductible has been met, on day one.

This plan combines the prescription drug deductible and healthcare deductible.

**Note:** Monthly premiums don't count towards the deductible totals, and the deductible totals reset each year.
