Primary care visit

No charge

No
charge

Primary care visits are appointments with your primary care provider to look at symptoms, sickness, or injuries.

This is different from preventive care visits - regular checkups or screenings are always free.

Specialist visit	\$10	\$10
------------------	------	------

A specialist is a medical professional who specializes in a condition or area of the body.

For example, a dermatologist (skin), cardiologist (heart), neurologist (brain), or oncologist (cancer).

Preventive care visit	No charge	No charge
-----------------------	-----------	-----------

There are dozens of preventive care services available for free with every plan, including check-ups, counseling, screenings, and immunizations

To learn more, scroll down to the Free Preventive Care section below.

Prescription drugs

Prescription coverage is based on which category a drug falls into. Note that prior authorization may be required for some prescriptions. Some plans may have a separate Rx deductible. Please confirm details in the [Summary of Benefits and Coverages](#).

Urgent care	\$5	\$5
An urgent care center can be a convenient option if you have a non-life-threatening injury and your doctor is not available. Urgent care is usually less expensive than going to the Emergency Room, and will usually have shorter wait times for non-life-threatening injuries.		
Emergency room	25%	25%
This includes services to check for an emergency medical condition* and treatment to keep it from getting worse. These emergency services may be provided in any licensed hospital's emergency room or another place that provides care for emergency medical conditions. *An emergency medical condition is defined as an illness, injury, symptom (including severe pain), or condition severe enough to risk serious danger to your health if you didn't get medical attention right away.
